

NALANI
MARKETING & SALES

MARKETING FIRM SUPPORT - INTERN WANTED

Join Nalani Services, a dynamic marketing and business development team located in Menomonee Falls, and gain real world experience, serving the needs of clients throughout southeastern Wisconsin.

You are the ideal candidate if you have a love for learning new things, have a strong work ethic, and work well within a team environment. Social media experience and a willingness to learn how to manage social media campaigns are a huge plus! If you're interested in unique guerrilla tactics, we may throw some of that in too, just for some added fun! Add to that, a curiosity for research to support lead generation efforts and customer survey initiative and your internship will be a fulfilling experience. Other duties may be assigned but not to worry; they will only add value to your resume and enhance your ability to promote yourself as a well rounded professional.

Hours: Flexible schedule with up to 20 hours per week, Monday-Friday, 8am-5pm.

What are you waiting for? Apply today and learn what it means to truly be inspired.

Applicants must submit a resume with cover letter sharing no less than three (3) reasons you believe you are the ideal candidate for this Nalani Services internship. Please put to the attention of Kelly Krause and identify your inquiry with 'NALANI INTERN' listed in the subject line of your e-mail and/or cover letter.
